

Globe Chemicals

Training in Business Administration for foreign trade / Bachelor of Business Administration 2018

Join us on a journey of adventure in the world of chemical trading!

During your three years' training you will attend the institute for foreign trade on two days a week. At your training on the job in our company you will learn all about purchase, sales, logistics, controlling, financial accounting and quality management.

For the first time this year there is the opportunity to graduate with a Bachelor of Business Administration degree at the University Novi B.V. in the Netherlands at the end of the seventh semester. Therefore you will be enrolled at the University Novi B.V. from the beginning of your training.

Interesting and responsible tasks are already part of your training and you will be corresponding with our international customers and suppliers daily.

After you have completed your training you will be able to trade with chemical products worldwide.

If you enjoy working internationally and your English is fluent in spoken and written, please send your application and attach the usual documents via email to personal@globe-chemicals.com attention Dirk Begier, phone: +49 40 271525-14

We are looking forward to receiving your informative application documents!
